

MONTIPOWER

JUST **MBX** IT!

The MBX Vinyl Zapper – quickly removes:

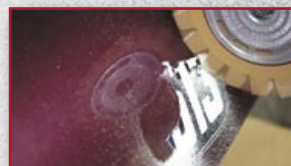

- Vehicle Lettering & Graphics
- DOT Reflective Tape
- Boat Name & Stripes
- Double-sided Adhesive Tape
- Equipment Labels & Stickers
- Decals on Plate Glass

The MBX Vinyl Zapper removes vinyl, decals, pinstripes, reflective tape, and adhesives quickly and easily in a single operation. Performing on metal, glass, wood or fiberglass, the Vinyl Zapper strips vinyl without damaging paint or harming the underlying surface.

The MBX Advantage

- 1 The unique Eraser Wheel is designed with notched fingers that grab the edge of the vinyl and peels it from the surface.
- 2 Vinyl and adhesives are removed without damaging OEM paint or harming substrate material.
- 3 Adhesive residue will be removed while stripping the vinyl.
- 4 Multiple layers of vinyl – old or new – can be removed at one time in hot or cold weather.
- 5 The MBX Vinyl Zapper will reduce labor by more than 60% and turns a tedious task into an easy operation.
- 6 The MBX Vinyl Zapper will remove 35-50 square feet of vinyl per hour.

MBX VINYL ZAPPER

Superior Performance

- ➔ No paint damage to OEM paint surfaces
- ➔ No surface damage on metal, glass, fiberglass or hard wood
- ➔ No heat damage or smearing on substrate
- ➔ No vibration or jumping – reducing operating fatigue
- ➔ Minimal adhesive residue – can be easily removed with suitable solvent
- ➔ Fast, easy operation – cuts labor by more than 60%

THE MBX TOOLS SPECIFICATIONS

Pneumatic Drive
